2011 CAP Report

Project #1: Egypt

The school renovation project in Zowek has stalled slightly. As you are no doubt aware 2011 was a turbulent year in Egypt. The school project is currently at the 'planning' stage and these things take time, particularly given the current uncertainty within the Egyptian political system. The money is being held, securely, by Llew Edwards and it is our intention to complete the project, hopefully in 2012.

The 'Good Samaritan' fund was very successful, so much so that the CAP Committee were able to allocate a further £1000 over and above the original funds.

CAP Contribution of £3000+£1000+£1000

Project #2: OVC Program, Maluti Adventist Hospital

Maluti Adventist Hospital underwent a significant reorganisation in 2011 with the retirement of the hospital director, Wil Hurlow, and his wife, Lyn, who ran the OVC ("Orphans and Vulnerable Children", since renamed "Bana Ba Rona") program.

Reporting on the usage of our funds has been patchy but as of early 2012 there is a new person, Morgan Pulumo, who is now taking charge of the Bana Ba Rona children. Our funds were spent on foster programs and feeding programs.

CAP Contribution of £5720
