REPORT FOR MECS SCHOOL – EGYPT

On behalf of the Egypt Field I would like to say thank you for your support for helping us to build 2 classroom for Matria school. The original plan was to built 1 classroom, size 5 x 10 meters. Later we discovered after talking with school principal that the students who were sitting behind they don't pay attention because of the long classroom, so therefore we split into 2 classrooms, size 5 x 5 meters. Your generous donation was a great blessing to Matria school, especially this year Australian Embassy in Cairo refused to support teachers salary for 2 months . Please pass our heart felt appreciation to your administration and the church members for continue support in Egypt. Kindly see the finance detail how your donation was used.

Total fund received for this project: EGP 34,984.06

Total Expenses for building: EGP 32,800.00

White board/other supplies: EGP 2,184.00

Reported by: Akram Khan
